

Jiu-Jitsu Heaven: Most Beautiful BJJ Academies Around the World

Source: www.bjjee.com

Human beings are the most adaptable beings on the Earth. That being said, some of us have the luxury to seek out the best possible human experience in every activity we do. These are some of the most inspirational swanky bjj academy setups we've heard about:

Temple Jiu-Jitsu, Phuket, Thailand

Temple BJJ in picturesque Phuket, Thailand is an environment designed to meet the highest demands of any training facility in martial arts.

Temple is located inside luxury wellness retreat Chivitr. Nestled on the hill, overlooking the lake, and only a short walk to Nai Harn Beach, Chivitr is located in one of the most stunning locations on the Island.

Chivitr was purposely designed to be a luxurious boutique wellness retreat that provides guest with bespoke service to engage and ignite life enhancing activities for body, mind and Spirit.

Their Jiu Jitsu room is the pride and joy of Temple BJJ. With FUJI's Springfloor system which is the best mat system in the world for Martial Art dojos.

The spectacular view, over the lake and surrounding fauna, won't disappoint either. As for air conditioning, its worth to mention the fresh ocean breeze blowing in from the coast.

Temple also offers The 3 Month White to Blue Belt Intensive BJJ Camp That You Never Heard Of...

Mjolnir MMA gym is located in Reykjavik, Iceland and is home to UFC fighter Gunnar Nelson. The gym, which was formerly a theatre, is a 1,600 square metres complex with three different halls. It's a world class facility.

Frota Academy (Zurich, Switzerland)

Frota Academy is a new 850 square meters facility filled with high end training equipment as well as world class instructional that will help you have the best development as a fighter and motivate you to sink everything into having a healthy lifestyle. While the instruction is mostly provided by Augusto Frota, Alfred Sutter and Stephan Ruegg you should seriously check out the list of world class players they've hosted in the past. Some of the guys that provided their guidance to Frota students were: Braulio Estima, Gezary Matuda, Rodrigo Miotauru, Rodolfo Viera, Leandro Lo, Marcus "Buchechea" and Gilbert Burns "Durinho". And that was just in this past year!

Discover more about Augusto Frota

Explore his journey, work, and contribution to the world of Brazilian Jiu-Jitsu.
